

*Our Missions: Remember Honor Teach*

## **Focus on Ft. Sam Houston National Cemetery**

**Freedom Isn't free.** Nowhere is this more apparent than when we visit a national military cemetery. The sacrifice our military heroes and their families have made compels us to...

- ◆ **Remember the Fallen**
- ◆ **Honor Those Who Serve**
- ◆ **Teach our Children the Value of Freedom**

This year marks the 19<sup>th</sup> anniversary of the Worcester Wreath Company donating Maine Wreaths to Arlington National Cemetery. This tradition creates a stunning display of gratitude and appreciation to our veterans and their families. By 2008, over 300 locations held wreath-laying ceremonies across every state in this great nation. Over 60,000 volunteers participated in this effort, and each year the number of volunteers and gravesites continues to grow.

Fort Sam Houston National Cemetery celebrated its first wreath-laying ceremony in December 2008 with little more than 1,000 wreaths and hundreds of local volunteers laying the groundwork. Today, with more than **98,000 gravesites to be honored at Fort Sam Houston National Cemetery**, we have a long way to go to make this a lasting and memorable tribute honoring our military troops.

You can help raise awareness and truly show appreciation for the ultimate sacrifice our military heroes have paid for their country. **Become a sponsor for the 2010 Holiday Season!**
